

Term of Reference for Internship

NIFT Foundation for Design Innovation, a section 8 company set up by NIFT to promote Fashion, Textiles, Lifestyle accessories & allied industries for Design innovation & incubation in India.

NFDI set up 4 Innovation centres in Mumbai, New Delhi and Chennai campuses of NIFT to facilitate innovation and entrepreneurship by converting and translating innovative Design and technology ideas in the following areas.

1. **Home and Spaces (Delhi)**
2. **Smart wearable systems (Mumbai)**
3. **Fashion and Lifestyle accessories (Mumbai)**
4. **Apparel including athleisure and activewear (Chennai)**

The facilitation provided by NFDI would include pre-incubation, incubation, and accelerator services. These would cover developing a viable product, validating the product, and scaling up the validated product.

NFDI Internships are career development opportunities, providing practical experience in the field of design, management and technology. Students/interns will be given opportunities in a real environment.

NFDI embraces the newer challenges, opportunities and technologies to produce creative and technocommercial solutions in the field of Design, Management and Technology.

The NFDI Internship can be done throughout the year. It is based on available projects. The details will be available on the NFDI website. It will further synchronize with the academic calendar of various institutions.
